

Disclaimer

Updated at 2022-05-01

SPACE AND TECH ENGINEERING hereby grants you access to <https://www.spaceandtech-engineerings.com/> ("the Website") and invites you to purchase the services offered here.

Definitions and key terms

To help explain things as clearly as possible in this Disclaimer, every time any of these terms are referenced, are strictly defined as:

- **Cookie:** small amount of data generated by a website and saved by your web browser. It is used to identify your browser, provide analytics, remember information about you such as your language preference or login information.
- **Company:** when this policy mentions "Company," "we," "us," or "our," it refers to SPACE AND TECH ENGINEERING, UNIT No. 37 PATEL INDUSTRIAL ESTATE SV ROAD DAHISAR EAST MUMBAI-400068 that is responsible for your information under this Disclaimer.
- **Service:** refers to the service provided by SPACE AND TECH ENGINEERING as described in the relative terms (if available) and on this platform.
- **Website:** SPACE AND TECH ENGINEERING."s" site, which can be accessed via this URL: <https://www.spaceandtech-engineerings.com/>
- **You:** a person or entity that is registered with SPACE AND TECH ENGINEERING to use the Services.

Limited liability

SPACE AND TECH ENGINEERING endeavours to update and/or supplement the content of the website on a regular basis. Despite our care and attention, content may be incomplete and/or incorrect.

The materials offered on the website are offered without any form of guarantee or claim to their correctness. These materials can be changed at any time without prior notice from SPACE AND TECH ENGINEERING.

Particularly, all prices on the website are stated subject to typing and programming errors. No liability is assumed for the implications of such errors. No agreement is concluded on the basis of such errors.

SPACE AND TECH ENGINEERING shall not bear any liability for hyperlinks to websites or services of third parties included on the website. From our website, you can visit other websites by following hyperlinks to such external sites. While we strive to provide only quality links to useful and ethical websites, we have no control over the content and nature of these sites. These links to other websites do not imply a recommendation for all the content found on these sites. Site owners and content may change without notice and may occur before we have the opportunity to remove a link which may have gone 'bad'.

Please be also aware that when you leave our website, other sites may have different privacy policies and terms which are beyond our control. Please be sure to check the Privacy Policies of these sites as well as their "Terms of Service" before engaging in any business or uploading any information.

Links to Other Websites Disclaimer

This Disclaimer applies only to the Services. The Services may contain links to other websites not operated or controlled by

SPACE AND TECH ENGINEERING. We are not responsible for the content, accuracy or opinions expressed in such websites, and such websites are not investigated, monitored or checked for accuracy or completeness by us. Please remember that when you use a link to go from the Services to another website, our Privacy Policy is no longer in effect. Your browsing and interaction on any other website, including those that have a link on our platform, is subject to that website's own rules and policies. Such third parties may use their own cookies or other methods to collect information about you. If You click on a third party link, You will be directed to that third party's site. We strongly advise You to review the Privacy Policy and Terms of every site You visit.

We have no control over and assume no responsibility for the content, privacy policies or practices of any third party sites or services.

Errors and Omissions Disclaimer

SPACE AND TECH ENGINEERING is not responsible for any content, code or any other imprecision.

SPACE AND TECH ENGINEERING does not provide warranties or guarantees.

In no event shall SPACE AND TECH ENGINEERING be liable for any special, direct, indirect, consequential, or incidental damages or any damages whatsoever, whether in an action of contract, negligence or other tort, arising out of or in connection with the use of the Service or the contents of the Service. SPACE AND TECH ENGINEERING reserves the right to make additions, deletions, or modifications to the contents on the Service at any time without prior notice.

General Disclaimer

The SPACE AND TECH ENGINEERING Service and its contents are provided "as is" and "as available" without any warranty or representations of any kind, whether express or implied. SPACE AND TECH ENGINEERING is a distributor and not a publisher of the content supplied by third parties; as such, SPACE AND TECH ENGINEERING exercises no editorial control over such content and makes no warranty or representation as to the accuracy, reliability or currency of any information, content, service or merchandise provided through or accessible via the SPACE AND TECH ENGINEERING Service. Without limiting the foregoing, SPACE AND TECH ENGINEERING specifically disclaims all warranties and representations in any content transmitted on or in connection with the SPACE AND TECH ENGINEERING Service or on sites that may appear as links on the SPACE AND TECH ENGINEERING Service, or in the products provided as a part of, or otherwise in connection with, the SPACE AND TECH ENGINEERING Service, including without limitation any warranties of merchantability, fitness for a particular purpose or non-infringement of third party rights. No oral advice or written information given by SPACE AND TECH ENGINEERING or any of its affiliates, employees, officers, directors, agents, or the like will create a warranty. Price and availability information is subject to change without notice. Without limiting the foregoing, SPACE AND TECH ENGINEERING does not warrant that the SPACE AND TECH ENGINEERING Service will be uninterrupted, uncorrupted, timely, or error-free.

Copyright Disclaimer

All intellectual property rights concerning these materials are vested in SPACE AND TECH ENGINEERING. Copying, distribution and any other use of these materials is not permitted without the written permission of SPACE AND TECH ENGINEERING, except and only to the extent otherwise provided in regulations of mandatory law (such as the right to quote), unless otherwise stated for certain materials.

Educational Disclosure

Any Information provided by SPACE AND TECH ENGINEERING is for educational purposes only, and is not to be interpreted

as a recommendation for a specific treatment plan, product, or course of action. SPACE AND TECH ENGINEERING is a distributor and not a publisher of the content supplied by third parties; as such, SPACE AND TECH ENGINEERING exercises no editorial control over such content and makes no warranty or representation as to the accuracy, reliability or currency of any information or educational content provided through or accessible via SPACE AND TECH ENGINEERING. Without limiting the foregoing, SPACE AND TECH ENGINEERING specifically disclaims all warranties and representations in any content transmitted on or in connection with SPACE AND TECH ENGINEERING or on sites that may appear as links on SPACE AND TECH ENGINEERING, or in the products provided as a part of, or otherwise in connection with, the SPACE AND TECH ENGINEERING. No oral advice or written information given by SPACE AND TECH ENGINEERING or any of its affiliates, employees, officers, directors, agents, or the like will create a warranty.

Your Consent

We've updated our Disclaimer to provide you with complete transparency into what is being set when you visit our site and how it's being used. By using our website, registering an account, or making a purchase, you hereby consent to our Disclaimer and agree to its terms.

Changes To Our Disclaimer

Should we update, amend or make any changes to this document so that they accurately reflect our Service and policies. Unless otherwise required by law, those changes will be prominently posted here. Then, if you continue to use the Service, you will be bound by the updated Disclaimer. If you do not want to agree to this or any updated Disclaimer, you can delete your account.
